We welcome you to our services and our fellowship; please join us for refreshments after the service in the Carpenter's Arms.

If you are new to Gibraltar please fill in one of our contact detail forms to enable us to keep in touch with you.

If you are visiting please sign our visitors book and let us know if you would like to receive future issues of our Church newsletter.

Please note that some translation may be taking place near you.

- **Prayer times** this week will be on Tuesday and Thursday at 7:00am, as well as on Tuesday and Wednesday and Thursday at 7:00pm and Friday at 6:00pm
'When we work, we work, but when we pray, God works'.
- The **Carpenter's Arms** is open daily. If you are not yet involved in this part of the church's ministry I would ask that you please prayerfully consider if you can be involved in this. Mary and David will be away until the end of May, so any extra help will be appreciated.
- The **Ladies' prayer and study group** continues to meet on Tuesday at 5:30pm in the Carpenter's Arms.
- The **'Live worth Living'** Alpha follow on course continues on Thursdays. The next **Alpha course** will start on Thursday 16th September and there are some invitations available on the table outside.
- The **Imit8** youth group continues to meet this Friday.
- I would remind you that there are various **House Groups** which meet during the week. I believe that it is essential for everyone to be part of a House group to ensure the development and growth of their Christian walk.
- Monday 10th May will see the start of a new **Marriage Course**. The course is aimed at anyone who is married. The idea is not so much to repair marriages as to provide the maintenance that is necessary for marriages to work properly. For more details please speak to Richard or Kerenza.

- On Sunday 23rd May, Pentecost Sunday, we will be holding a **Joint churches lunch and prayer event** to coincide with the 'Global day of prayer'. Unfortunately The Mount is not available, I will let you know where it will be held soon as we find a suitable venue.
- The forms are now available for the **Church weekend in Antequera** and we would appreciate people to fill them in as soon as possible to make the organisation smoother. We would also ask for payment at the earliest opportunity as we have already paid out for the air fare for the speakers etc. Some people have already talked to me about being baptised in Antequera, if there is anyone else considering this step who has not yet talked with me I would ask that you do so when you can.
- This is the last reminder that Easter **Wesley Herald** is available and we invite you to take one. Please start putting your creative minds into gear to produce a summer edition. Like everything else printing costs are going up and we suggest a donation of £1 per magazine. We would not however want anyone not to read it due to the cost, so if you don't have a spare pound take it and read it anyway.
- I remind you that the church is involved in a project with **Compassion UK** sponsoring children in church run projects in Kenya. If you are still not involved in this and would like to sponsor a child please let me know and I will obtain some more profiles, it currently costs £21 a month to sponsor a child and it is a small price to pay to ensure that these children get a good start in life.
- I remind you that we welcome any comments anyone would like to make about our services, or any aspect of Church life, please feel free to speak to me or one of the Stewards.
- I encourage anyone with information of someone who is needing a visit to call me on 20040870 or 58137000, or email me at minister@methodist.org.gi We will endeavour, where possible to communicate any needs among the congregation so we can all pray together, and arrange to organise the necessary visits.
- While every effort is made to provide accurate information it is inevitable that some changes will occur. I will always endeavour to advise when this happens and we will try and keep the information on the web page as accurate as possible.
